So in November 2021, I went back to the Middle East. I met with a group including a special Iranian figure, an old friend who let me know a World War was coming, and had a proposal to avert it. I told them I would relay the proposal but I did not think it would fly.

In the course of being there, and through a mechanism I am not going to explain here, I became aware of an additional situation. Hunter Biden was reaching out to the Iranian government in the fall of 2021 with the following offer: *You Iranians have $8 billion frozen in a bank account in South Korea. My father will unfreeze it in return for $800 million being funneled into a numbered account for us. And if you do this deal with us, it will lubricate other negotiations which have recently started between us.* By that, the Iranians believed that Hunter meant the JCPOA talks, which had restarted in Geneva a month or two previously. In other words, something along the lines of, "Pay us $100 million and we let you keep 10 nukes, $200 million for 20 nukes," etc. But I am making up the pricing.
